

The JOURNEYS Neighborhood

is a modern & bright environment that encourages joy in daily living.

Caregiving is just that within our Journeys Memory Care Cottage.

Specifically trained, our dedicated caregiving team is educated to communicate through validation, showing understanding and support as they join our residents through the journey of their day. Family members are encouraged to remain a vital part of their loved one's daily living, joining us for meals, a visit by a guest musician, or a simple visit in our well-appointed lounge space.

Engagement is key in supporting adults with memory challenges and Journeys is designed to encourage inclusion while honoring individuality.

Our life enrichment team uses a person-centered approach to create programs that are designed to stimulate the mind and support cognitive functioning, maintain physical wellness, encourage socialization and connection as well as maintain life-long skills and engage in leisure pursuits.

JOURNEYS Memory Care Program at The Meadows at Lawrence

Our Journeys Memory Support Program is designed to serve those living with Alzheimer's disease or other related forms of dementia.

The program is offered in our secure cottage community offering the true comforts of home. The philosophy at The Meadows at Lawrence designated Journeys Memory Care Cottage is to meet each resident where they are in their cognitive journey.

This philosophy is supported by a resident centered and universal care giver approach with a primary objective of maintaining the highest level of function, independence and quality of life.

At The Meadows at Lawrence Journeys Cottage, our residents enjoy opportunities to explore, grow and participate in enriching experiences. Our residents set the tone for their day, choosing to wake when they are ready, to enjoy a meal of their choice prepared by their caregivers(s), to engage with new or old passions as well as find time to relax with friends, family or our family or caregivers. You'll find our Journeys Memory Care Cottage to feel comfortable, warm and just like home. From the freshly prepared meals, to music, stimulating activities, pleasant and inviting outdoor space, days at the Meadows are filled meaningfully.
